

PAN PACIFIC WHISTLER - MOUNTAINSIDE

LOCATION

This award winning, mountainside resort is exceptionally located at the base of both Whistler and Blackcomb Mountains. Experience the intimate ambience of the hotel's alpine lodge while enjoying a luxurious hotel suite. On site features include a year-round outdoor heated swimming pool

two outdoor hot tubs, all with spectacular views of the local mountains, a cardio / weight room and a steam room. This is one of the best locations in Whistler.

FEATURES

The 121 stylishly appointed suites, with awe-inspiring views of the two majestic mountains or the rustic charm of Whistler Village, offer the comfort of a gas fireplace, fully equipped kitchen, soaker tub, and salon amenities from Aveda.

These spacious studio, one, and two bedroom suites offer conveniences such as plush robes, in-room safes, high-speed Internet access, on-command video and nintendo, CD / clock radio and two-line telephones.
